

When the earth demands affordable excellence

OFFICE FURNITURE®
A Product of NationalOffice

sustainable design fiberboard

Arreis®, a sustainable medium density fiberboard (MDF) manufactured from 100% post-industrial recycled wood residuals, meets the most stringent formaldehyde emission standards in the world. SierraPine's patent pending manufacturing process utilizes a formaldehyde-free adhesive system to produce Arreis®, the ideal sustainable design fiberboard (SDF) for commercial interior applications. Arreis is available for use in your green projects from NationalOffice.

Potential of 5 LEED Credits Supported
Materials & Resources: 4.1, 4.2, 5.1, 5.2
Indoor Environmental Quality: 4.4

SCS Certified
Post-Industrial Recycled Wood Fiber
No-Added Formaldehyde

CHPS Compliant
Meets Materials Specifications for VOC emissions section 01350

EPP Certified
Composite Panel Association
Environmentally Preferable Product
