

Hybrid Avenir

Hybrid Avenir is panel mounted furniture that offers flexibility and value. Panels are made of steel, and come in heights from 42" to 80".

Avenir worksurfaces are made of wood, with your choice of vinyl, 90, or 180 degree rolled edge. National Office provides storage solutions with closed door bins, shelves, and pedestals.

Our design experts assist in the configuration and design of your office. Utilizing AutoCAD, we help create the most efficient layout for your business.
